

# At BMS, we believe in respect and responsibility for all, from all

How does this value statement translate into our daily behaviors?

We represent ourselves academically by

- ✓ Being hungry to learn and always doing our best
- ✓ Taking personal responsibility for the quality of all our work
  - We don't settle for anything less
- ✓ Respecting the idea that WE are all here to learn and improve.
- ✓ Taking responsibility for supporting our learning environment
- ✓ Learning more is better than getting it done fast
  - We ask questions to ensure learning

We interact with our peers by

- ✓ Always treating others the way we would like to be treated
  - We don't accept anything less
- ✓ Owning what we say and do, even when mistakes are made.
- ✓ Understanding that others make mistakes sometimes
  - Give the benefit of the doubt
- ✓ Assuming the positive in others
- ✓ Doing the right thing, even when no one is looking

We take care of each other, we respect our reputation and that of our school,  
and we work hard to get better at whatever we do.

All BMS expectations apply to  
all areas of ~~school~~ LIFE
